

TOP TEN CLUB

2018 SCHOOL YEAR

- 6 Years ago, we established the Top Ten Club (TTC) and it has become the pride & joy of Newcastle High School.
- Since its inception, we followed a flexible approach by adjusting and fine-tuning procedures.
- This way the TTC developed its own dynamic character and will certainly continue to do so.
- It is common knowledge that top achievers in life have a flexible approach to challenges and are in essence creative solution finders.

The Top Ten Club has become that exclusive club that has contributed to the outstanding academic history we have seen over the years of TTC's existence and which has contributed to the success of the school.

A NEW VISION & DIRECTION

- We need to look at new and refreshing ideas of “raising the bar” so that other learners, lagging behind in their academics can also reach their full potential.
- We need to look at ways of improving our overall pass rate,
- Bachelor passes, AND
- The number of distinctions we produce in matric!

- Currently, only 4,6% of our learners feature in the Top Ten Club!
- How do we get this percentage up?
- ---

The answer lies in:
- the learners ranked 11-20 and the learners ranked 21-30.
- How do we get them to be better than they are at the moment?
- If we can get them to perform better than they already are, then we could have 13% of the school population as “REAL” top achievers!

THREE LEAGUES.....

- I want to make a proposal of a three league system

that would operate within the TTC:
 - (1) The Legion of Eagles Top 10: The PREMIER League
 - (2) The Counter Strike Top 10: 1st Division and,
 - (3) The Wildcat Strike Top 10: 2nd Division.

How will it work?

- Our Legion of Eagles (Premier League)

- Will remain our top
10 learners who gain
75% or more
average

How will it work?

- The Counter Strike (1st Division)

- Will be the remaining learners who do not make top 10 and up to 20 on the merit list.

How will it work?

- The Wildcat Strike (2nd Division)

-
- Will be the remaining learners who do not
Make the counter strike:
21 to 30 on the merit
list.
